Fabricating futures

PRAKASH METALLIC

Manufacturers and traders of Iron & Steel

Experience of 20+ years in the industry

ABOUT US

A 3rd generation business, present in the industry from two decades. Prakash Metallic Pvt Ltd., based in steel hub of the country- Raipur (C.G.), has established itself as one of the most prominent names in the last 20 years. We are leading manufacturers of various RDSO approved railway track components, peb structure and heavy structure fabrication .We ensure that all our products adhere to customer specifications and meet the industry standards in terms of quality, design and functionality. We ensure dimensional accuracy with minimum tolerance for longer service life.

Due to our presence in the iron and steel industry as traders from the past two decades, we leverage our expertise of raw materials. Alongside this, our geographical location of Central India makes our supply chain lean for cost optimization right from procurement of materials to delivery of products.

MISSION :

To provide high-precision, value- driven fabrication solutions through advanced technology, sustainable practices, and a culture of excellence - building long-term partnerships across industries

VISION :

To be a knowledge-driven leader in steel fabrication and engineering, delivering quality, reliability, and innovation that drives infrastructure development in India and beyond

"Centrally located hi-tech facility enabling cost optimization"

We are equipped with advanced machinery of latest technology which is complemented with a well-organized production flow to ensure highest level of productivity and timely delivery to customer. Our manufacturing unit is equipped to deliver products conforming to RDSO and CORE specifications.

Our team of engineers are among the best in the field and have deep understanding of the product's nature and its technical specification.We are able to stand on our commitment to deliver best quality products with correct specification through a series of thorough quality check process involving extensive chemical & mechanical testing in our laboratory and final dimensional checking in gauges.We are ISO 9001:2015 certified.

OUR SERVICES

Manufacturing
- Railway track equipments
- P.Way material

Trading
Irone ore & fines, Pellets, Billets

OUR PRODUCT

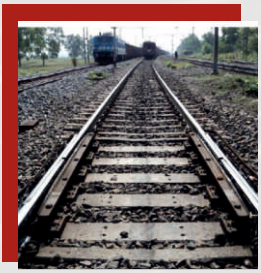

ELASTIC RAIL CLIP

RT-5919 (MK-V), RT-3701 (MK-III)

Thick Web Switch/ Fabricated curved switch

**RT- 6280, RT- 9775, RT- 9842,
RT- 6155, RT- 8780, RT- 9791,
RT- 7076RT- 4866, RT- 4966,
RT- 4733, RT- 4219, RT- 5692,
RT- 5836, RT- 6068**

Thick web SEJ/ Improved SEJRT

**RT-8822 RT- 6922 & RT- 6930/
RT- 6902 & RT- 6914**

METAL LINER

**RT-3738, RT-3740, RT-3741,
RT3742, RT-8616, RT-8617**

RAILWAYS

- Central Railway – Mumbai, Bhusawal, Nagpur, Solapur, Pune
- Eastern Railway – Kolkata, Asansol, Howrah, Malda, Sealdah
- East Central Railway – Hajipur, Danapur, Dhanbad, Mughalsarai, Samastipur, Sonpur
- East Coast Railway – Bhubaneswar, Khurda Road, Sambalpur,
- Waltair Northern Railway – New Delhi, Ambala, Lucknow, Moradabad, Ferozpur
- North Central Railway – Allahabad, Agra, Jhansi
- North Eastern Railway – Gorakhpur, Lucknow, Izzatnagar, Varanasi
- Northeast Frontier Railway – Guwahati, Katihar, Alipurduar, Rangiya, Lumding, Tinsukia
- North Western Railway – Jaipur, Ajmer, Bikaner, Jodhpur
- Southern Railway – Chennai, Madurai, Palghat, Trichy, Trivandrum,Salem
- South Central Railway – Secunderabad, Guntakal, Guntur, Hyderabad, Nanded, Vijayawada
- South Eastern Railway – Kolkata, Adra, Chakradharpur, Kharagpur, Ranchi
- South East Central Railway – Bilaspur, Nagpur, Raipur
- South Western Railway – Hubli, Bangalore, Mysore
- Western Railway – Mumbai (Central), Vadodara, Ratlam, Ahmedabad, Rajkot, Bhavnagar
- West Central Railway – Jabalpur, Bhopal, Kota

STANDARD OPERATING PROCEDURE

At Prakash Metallic, we follow a structured, stage-wise SOP that governs our entire fabrication process — from material handling to final dispatch. This ensures operational consistency, quality & safety.

WHY US

Two Decades of Industry Expertise
Proven legacy in iron, steel, and mineral trading since 2004

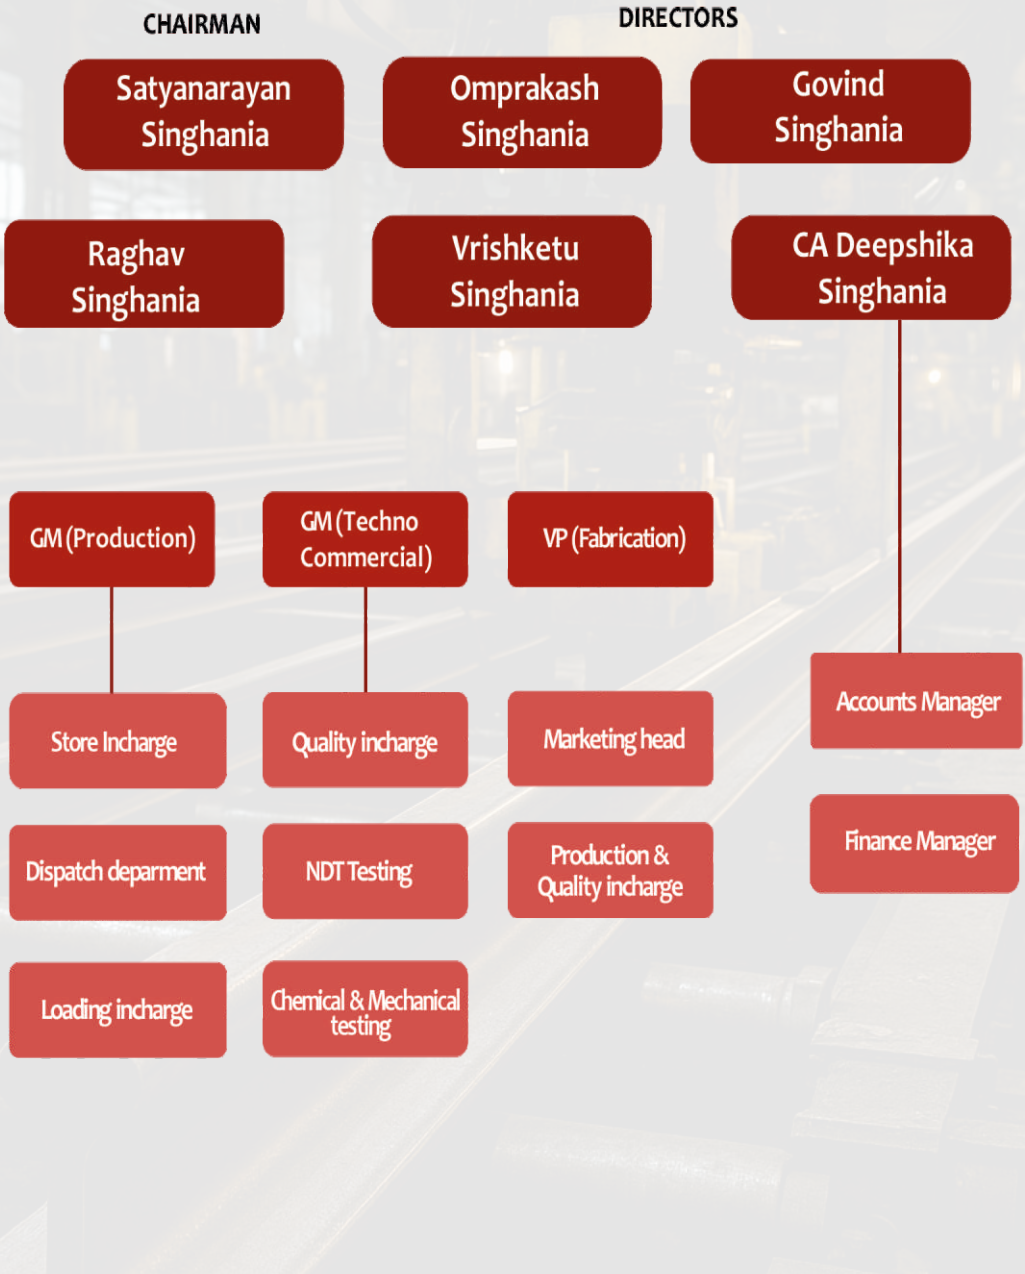

End-to-End Fabrication Capability
In-house design, engineering, and manufacturing for PEB and heavy steel solutions.

Trusted by Railways & Government
Strong execution record on large-scale public infrastructure and railway projects.

Scalable Infrastructure
Modern, tech-enabled facilities designed for future-ready operations.

Quality & Timely Delivery
Driven by precision, reliability, and long-term client partnerships

ORGANIZATION STRUCTURE

SAFETY COMMITMENTS

- Periodic Saftey audits.
- 100% attendance of Staff/Workers and Contractor.
- Housekeeping drive-in-shops and open yards.
- Safety toolTalk- by production in charge on a daily basis.
- Review of unsafe acts.
- Saftey Announcements.
